DAY 1

Choosing What To Manifest.

When you choose what you manifest, the trick is to choose something small, but something that you nonetheless really want; a thing that lights you up inside and is compatible with your plan for life. After all, you need to be able to feel fully passionate about it for the week ahead.

DAY 4

Act "As If".

Keep believing that the thing you want is coming and try to act as if you already have it. This is called acting "as if" (or sometimes "living in the knowing").

If you're waiting to receive a gift from a partner, feel the appreciation and gratitude, and know that you are loved. Notice how living "as if" helps to build your confidence and can make your day feel so much brighter.

Come up with 5 ways you are going to act "as if" today and write them down.

A circular kindness tracker chart. The chart is divided into 31 numbered segments, arranged in a semi-circle on the left side of the page. The segments are numbered 1 through 31, starting from the top and moving clockwise. Each segment is a wedge-shaped area that tapers towards the center.
